

## The Oasis Villa – Luxury Boutique Hotel & Self-Catering Cottages: Amalfi Coast

### Summary

One of our most romantic luxury hotels, this stunning hideaway sits on the hillside above Sorrento, in one of the most picturesque and tranquil spots on the Amalfi Coast. The pastel shuttered boutique hotel numbers some of Italy's most stylish celebrities among its patrons. For the ultimate in glamour, arrive by helicopter and hire a vintage Alfa Romeo to tour the stunning Amalfi Coast. On lazy days, simply enjoy the gourmet food and drink in the fantastic panoramas of Vesuvius and the island of Capri from the poolside. This boutique hotel makes an excellent choice for secluded honeymoons or luxury holidays on the Amalfi Coast, and with the addition of three new luxury self-catering villas, families are also welcome.

### Details

This has always been a romantic place - The nobleman who built it in the 19th century had a long and celebrated love affair here. We think that it would be the ideal choice for couples or honeymooners who are looking for a very special and enchanting experience.

Set amid apple and chestnut trees, The Villa was built a German Lord who had been captivated by the beauty of the area. Known to the locals as 'The Blonde One', he introduced many species of apple and pear to the region as well as the irrigation techniques that have transformed the area into the lush oasis it is today.

The Villa's guest rooms and suites are exquisitely decorated with antiques and period furniture. Even the original brightly coloured ceramic tiles, so characteristic of this area, have been retained. All the guest rooms have balconies with fabulous views, none more so than the "Imperial Suite" which has a vast terrace, complete with private hot tub. The Villa has a stunning aspect over two sweeping bays in the Tyrrhenian Sea. Beyond one of these (the famous and romantic Bay of Naples), is the looming shadow of Vesuvius and the city of Naples.

Out to sea lies the island of Capri, easily accessible by hydrofoil and perfect for a day's designer shopping and people watching. Alternatively, you can hire the hotel's vintage Alfa Romeo Spyder to tour the pretty towns of the Amalfi Coast - Positano, Amalfi, and Ravello - a very stylish way to travel through this breath-taking scenery. Inland, the historic sights of Pompeii and Herculaneum are well worth a visit. An evening's outdoor opera performance at Ravello is not to be missed before returning for cocktails and dinner at the hotel. The gourmet restaurant uses many homegrown ingredients, which ensures that every meal is a delight.

New 1 & 2 bedroom cottages now open. Stay in luxury cottages in the hotel grounds on self-catering basis. They offer affordable style with all the sophistication of the Oasis Villa boutique hotel experience.
