

## The Residence – '5 Star' Luxury Boutique Hotel, Capri

### Summary

The Residence, our luxury 5 star hotel on the island of Capri, is situated on a quiet and leafy lane in the heart of Capri Town. Its terraced rooms spill down the craggy mountain side amongst flowers and trees, and boast terrific sea views. Situated just a stone's throw from the many fashionable boutiques in Capri, this small luxury hotel is the place for designer shopping and people-watching, or simply relaxing in the exclusive surroundings of the sunny pool terrace. Being one of the few spa hotels on Capri you can really pamper yourself here and live the celebrity lifestyle for a few weeks.

### Details

The Residence is a small luxury hotel, the newest sister property to the famous Quisisana Hotel in Capri Town. The owners have used their experience of running large deluxe hotels to ensure that The Residence offers the most luxurious of experiences, but with all the personal touches of a smaller and more intimate environment. Many guests return year after year.

The hotel's dramatic cliff-side setting means that most guest rooms and suites have their own private terrace looking out over spectacular views of the Tyrrhenian Sea and Capri's sheering cliffs. The luxurious interior is decorated in traditional Mediterranean style, with characteristic brightly coloured ceramic floor tiles, arches and whitewashed walls. The furnishings are an eclectic mix of wrought iron, classic fabrics and antiques.

The stunning panorama is shared by the breakfast terrace and pool that are the ideal places to linger and relax away from the bustle of Capri Town. Guests can also repair to the exclusive Quisisana spa for some real pampering, and indeed the whole holiday can be devoted to a personally designed well-being course.

We think this is an elegant yet intimate property, whose central location is ideal for exploring Capri's sights and shops, as well as venturing further a field onto the mainland.
