

The Club – Luxury Boutique Hotel & Apartments: Central Rome

Summary

This fashionable boutique hotel in the heartland of ancient Rome exudes the rather refined air of a gentleman's club. It occupies an enviable position overlooking Rome's jewel, the Colosseum, with the bright lights of the city beyond. Enjoy the enviable views from the hotel's stunning roof terrace restaurant; the ideal place to kick back with a sun-downer after a hard day's sight-seeing and shopping. This small luxury hotel is perfect for honeymoons or romantic breaks in Rome, and with the new addition of stylish palazzo apartments, it's also a great option for family holidays in Rome.

Details

The renaissance style hotel has only just re-opened after a complete restoration. The guest rooms and suites are impeccably furnished in a fresh modern-classical style with sumptuous fabrics and bespoke marble bathrooms. All the rooms are light and airy and many have views of ancient Rome, including the outstanding Colosseum. The environs are surprisingly verdant with gardens and parks surrounding the ruins opposite.

Just moments away are Piazza Venezia and all the major sights of Classical Rome, museums, galleries and shops, where every corner leads onto an impossibly stunning view. Don't miss a stroll along the Tevere to browse through the hawkers' stalls and wend your way back through the tranquil Villa Borghese gardens.

We can arrange for you to see the City in a romantic horse-drawn carriage, or if you want to really blend in with the locals, why not hire a scooter for a day? The hotel's luxurious roof-top restaurant and bar make the perfect spot in which to relax with a martini as the evening sun sets over ancient Rome.

As well as the famous attractions of central Rome, just 25 minutes away by train you can loose yourself in the many cultural sights of the Castelli Romani, in the beautiful Lazio countryside. As well as an abundance of amphitheatres, ninpheums, castles and viaducts to explore the area is ideal for walking, biking and horse-riding. There are also several golf courses nearby, plus sailing and canoeing on the volcanic Lakes.
