

The Sardinia Bay Hotel – Luxury Boutique Hotel: Sardinia

Summary

The luxury Sardinia Bay Hotel offers exactly the right mix of intimate but unpretentious luxury in which to enjoy this stunning island. The 4 star luxury hotel is unusual in that it provides a boutique hotel experience in Sardinia, a location where most guest accommodation tends to be in holiday-villages. With villa-style buildings, shady colonnades and airy guest rooms, it is an oasis of peace and tranquillity, perfect for romantic holidays or honeymoons in Sardinia. Its lush gardens lead from the pretty pool area to a secret sandy cove on Sardinia's unspoilt southern coast, accessible only by boat or on foot. The Sardinia Bay Hotel is the perfect romantic hideaway!

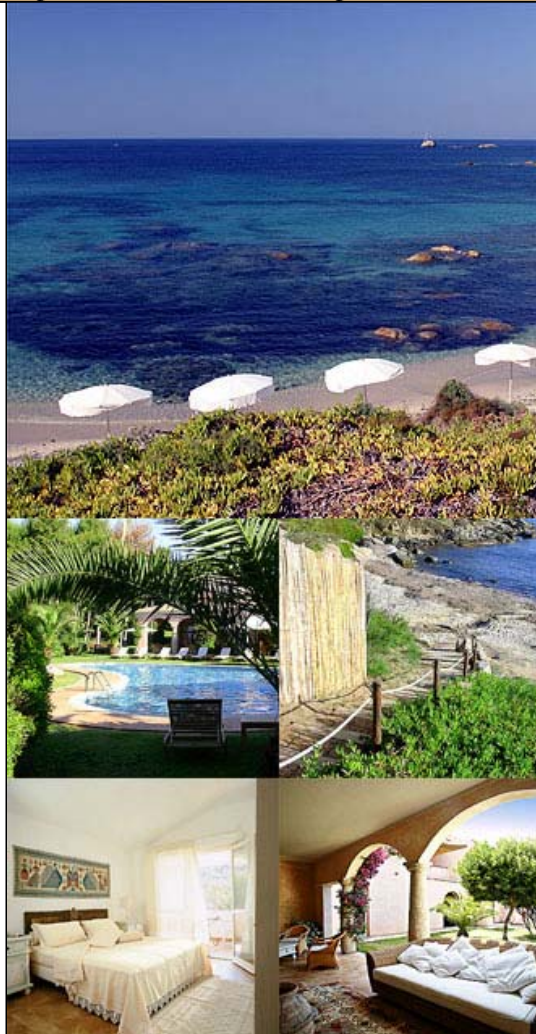

Details

The pretty villa-style hotel is painted in the pale terracotta so typical of Sardinia, to which the verdant gardens and azure sea form the perfect backdrop. The lofty main lobby is filled with rambling plants and leads straight out to the pretty pool terrace and grounds. With crisp, stylish sofas and low tables scattered in amongst the greenery, there is an almost colonial feel to this place. But the talking point has to be the stunning secret bay at the end of the sweep of lawn. The twinkling water in this south facing, sandy cove is all too inviting and from here guests can take boat trips along the Sardinian coastline or to the outlying islets.

For more active days, you can enjoy a variety of watersports. Diving, windsurfing, waterskiing, canoeing and sailing are all available nearby, and for those of us who aren't water-babies, tennis and horse-riding is also on hand. Why not hire the hotel's mountain bikes (or a scooter if you really want to enter in the Italian spirit) to explore this picturesque and unspoilt area? Or you can even take a quad-bike tour through the countryside.

The guest rooms, arranged over two floors in amongst the colonnades, are simply furnished with pastel painted furniture and all have a terrace or balcony. For a real indulgence, take advantage of the beauty treatments on offer at the pergola spa in the gardens overlooking the bay. A massage or pedicure here with the lapping sea in front of you takes on a whole new meaning!
