

The Emerald Coast Hotel – Boutique Hotel, Emerald Coast: Sardinia

Summary

Sardinia's Emerald Coast (or Costa Smeralda) certainly lives up to its name. The turquoise water in the myriad coves and beaches is breathtaking and the area is perfect for family holidays in Sardinia. We have selected the family friendly, 4 star Emerald Coast Hotel, which enjoys far reaching views across the coast and yachting marina below. The cabana style hotel has a leafy pool terrace, and the luxurious suites offer spacious family accommodation, some with kitchenettes. With stunning beaches nearby, the Emerald Coast hotel is the perfect spot for luxury holidays or honeymoons in Sardinia.

Details

The hotel is a friendly, family owned concern, and being a little removed from the hustle and bustle of the main town, offers a quiet base. Nevertheless, everything you need to keep all members of the family happy is within easy reach. Porto Cervo's pretty centre is a short walk away, where you'll find informal shops, restaurants and a stylish spa in a marina setting. From here, boat trips and yacht charter are available for you to explore the stunning coastline.

The nearest sandy beach is about a 10 minute walk from the hotel, where all manner of watersports are on offer. Tennis, golf and horse-riding are all available locally, and other beaches are easily accessible within a short drive. The hotel's rooms are furnished in modern-country style, most with balcony or garden shaded by cabana style palm fronds. We highly recommend the suites, which are enormous, and are decorated with bleached white furnishings and boast very contemporary bathrooms. Many have large terraces and the bonus of kitchenettes.
