Details

Clearwater is a light and airy resort hotel with far reaching views over the gardens and golf course. The hotel boasts 2 18-hole golf courses, tennis courts and a gym and down on the stunning sandy beach there is a sailing school and beach club. This is the perfect spot for a morning cappuccino overlooking the waves, or a late night tittle by candlelight.

On relaxing days, chill out by the pool, enjoy a beauty treatment followed by a relaxing massage or visit the hairdressers. With a choice of 6 restaurants and bars, you will be spoilt for choice when it comes to dining. The guest rooms decorated in warm coloured fabrics (many with private gardens and golf course views) are spacious and bright. For larger groups and family holidays, there are superbly equipped self-catering villas. A selection of apartments (sleeping 2-8) is also available in stand-alone condo buildings. This is a great location for family holidays on the Costa Brava, with a free children's club in July and August, kids indoor and outdoor activity areas available all year, a children's pool and a special youngster's menu.

The coast is the obvious draw to this idyllic location with unspoilt beaches stretching before you. Hire a boat (with or without skipper) to discover the bays and creeks. Many watersports and cruises are available and you can even try your hand at scuba and sky-diving. The verdant countryside is also well worth exploring by bike or horseback. The nearby Natural Park is great for wildlife and birdwatching, or take a cruise to the protected Medes Islands.

Of course, this region is the home of Dali, so take the opportunity to visit the "Dali Triangle", consisting of the Teatre Museo Dali, Casa Dali and the medieval castle at Pubol, which Dali restored in the '60s. Music and jazz festivals are held throughout the year and the cultural cities of Girona and Barcelona are also within easy reach. You can even pop over the boarder into the French Perenees.
