

## Crow Place Finca – Luxury Finca: Mallorca, Balearic Islands, Spain

### Summary

On Mallorca's sandy east coast lies the Crow's Nest Finca, a newly restored boutique ranch-style hotel. Nearby are white sandy beaches, with coves and creeks to explore along the coast, all framed by swathes of rolling countryside. The luxury finca's colonial lounges, flowered verandas, airy guest rooms and sunny pool terrace make this a lovely hideaway for simple holidays in Mallorca, but with a selection of waterfront restaurants and bars walking distance away, it's perfect for those looking for a bit of life in the evenings as well.

### Details

Family owned for generations, The Finca has recently been converted into a gorgeous small country hotel. Heirlooms are scattered through the vast colonial lounges, filled with comfy sofas. The light and airy guest rooms, each with private terrace, open onto the gardens.

After a leisurely breakfast served on the shady veranda, spend a lazy day at the pool or head to the sea where you'll find an attractive marina with many shops and restaurants. There are popular sandy beaches, as well as quieter coves, with many watersports and boat trips on offer. For a change of scene take the hotel's bikes out to discover the beautiful countryside, or even book a hot-air balloon or microlight tour.

For excursions further away, any part of the island is accessible in a day trip. To the north we recommend the lovely old towns of Alcudia and Pollenca and the picturesque hillside town of Deia, and to the south, don't miss a day in stately Palma, Mallorca's capital, with its designer shops and fashionable nightlife.
