

## The Pollenca Hunting Lodge – Luxury Boutique Hotel: Mallorca, Spain

### Summary

This stunning small luxury hotel occupies a majestic position overlooking the Bay of Pollenca on the northwest tip of Mallorca. The romantic guest rooms exude vintage glamour and the pretty pool terrace, with panoramic sea views, has a real sense of drama. There is no better spot than this luxury boutique hotel for romantic holidays or honeymoons in Mallorca. A striking Mallorcan hideaway.

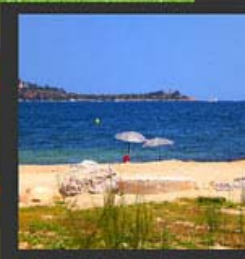

### Details

Once the hunting lodge of the ancestors of the current family owners, the manor house was also used by the Knights of the Templar in centuries past. Certainly, sitting on the flowered terrace, with views across the rolling countryside leading to the sea, no-one can be immune to this hotel's historic atmosphere. The owners have skilfully created a stylish oasis here, midway between the upmarket marina town of Puerto de Pollenca, with its long sweep of sandy beach, and the picture-perfect old town of Pollenca in the hills above.

Simply relax by the pool or head to the beach for a day of watersports or a boat trip along the coast. The nearby Formentor peninsula and Bay of St. Vincent are well worth a visit for their unspoilt walks and secluded coves. Ride the hotel's bikes along the ancient paths leading to the Roman town of Pollenca, packed with sandstone buildings and higgledy-piggledy lanes. Climb to the top of the steps leading from the main square for views across the rooftops.

Deia, Fornalutx and Soller, all picturesque towns, further along the northwest coast are also worth a drive, as is the capital city of Palma, with its fashionable nightlife and designer shops. This is perfect romantic hideaway in the most exclusive corner of Mallorca.
