

The Pine Sands Apartments: Mallorca, Balearic Islands, Spain

Summary

Nestling in a verdant pine forest and only a short walk from a beautiful sandy beach and former fishing village, this stylish all-apartment hotel is the perfect location for self-catering family holidays in Mallorca. The spacious bougainvillea clad apartments (sleeping 2-6) have fully equipped kitchens and private sun soaked terraces. The palm fringed pool, bistro restaurant, family game zone and spa (due summer 2010) make this hotel an ideal all-round destination for family holidays in Mallorca. Great value!

Details

The characterful apartments are scattered in pine-scented grounds. Quiet corners and balustraded staircases lead to the spacious studios and apartments, all with terraces and pretty views. The apartments all boast a well-equipped kitchen, sleek bathroom and stylish interior. The attractive pool area overlooks the pine forest. Nearby the games zone, with pool table and table tennis is a great alternative to an invigorating swim. Unwind at the spa (due to open in summer 2010) offering massages, a Jacuzzi and sauna. The spa complex also houses the hotel's gym.

The bistro grill specialises in Mediterranean food for memorable family dinners and the bar offers tapas and snacks for a leisurely lunch.

Explore the nearby S'Albufera Parc Natural, an important wetland wildlife refuge, on foot or hire a bike and discover the network of cycle ways.

A short walk from the hotel are the long sandy beaches of the Bay of Alcudia, with beachfront restaurants and shops. Boat excursions and watersports are available here, or you can hire bikes to explore the picturesque towns further inland. A half hour drive takes you to Pollenca, a fashionable port town, with attractive sandy beaches and coves. Further round the headland, the Bay of St. Vincent is also worth visiting, as well as the Formentor peninsula which has stunning walks and secluded coves.

Anywhere on the island is within reach for a day trip. We recommend the delightful hillside town of Deia to the West, and don't miss a day out in Palma, Mallorca's majestic capital with designer shops and fashionable nightlife.
