Summary

One of the newest luxury boutique hotels to hit the Marbella scene, The 5 Star Marbella Hotel & Spa occupies a lofty position overlooking its own golf course and lake, which lead down to the sea. Built in colonial style the small luxury hotel has vast and lavishly decorated guest rooms, all with private terrace, and a panoramic rooftop pool and spa. This gorgeous luxury hotel is a tranquil, romantic oasis on the Costa del Sol, perfect for luxury holidays and honeymoons in Spain, and only a few minutes from the glitz and glamour of Marbella and Puerto Banus.

Details

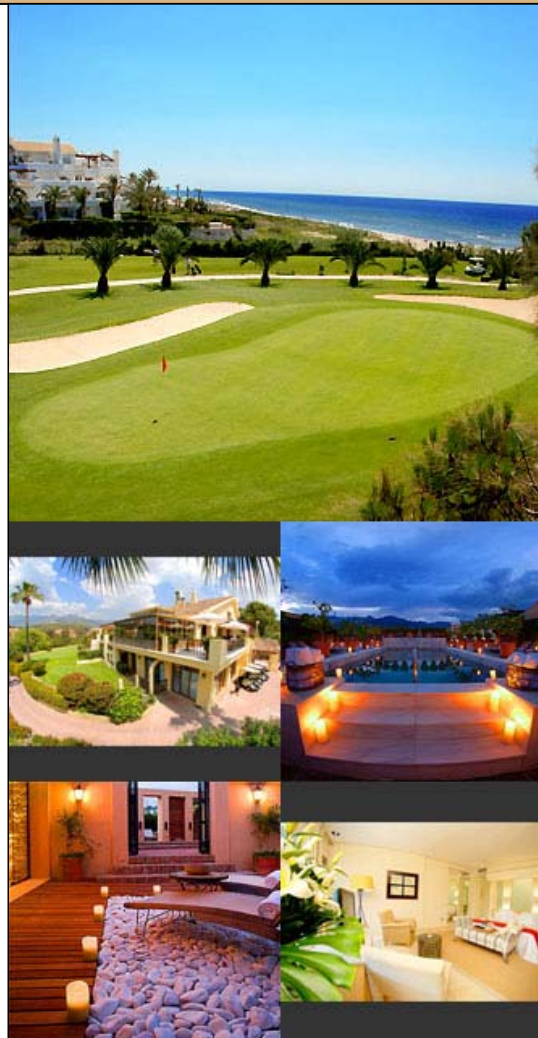

Whilst parts of the Costa del Sol have earned a reputation for over-development, Marbella has always been the jewel of the Andalucian coast. Boasting more Rolls Royces than anywhere in Europe bar London, the sea front promenade, and "golden mile" leading to Puerto Banus marina, oozes wealth and glamour. Yet Marbella old town still retains its charm and character and gives the town some real soul. At the beach you can enjoy all manner of watersports and even hire the hotel's private yacht.

Apart from the designer shopping and reliable sun, the other big draw of the Costa del Sol is, of course, golf. And the hotel overlooks one of the most prestigious courses of the region. You can wander down to the beach on foot through a collection of private villas, or laze on the rooftop pool among the orange trees. Treat yourself to a stress-busting massage in the organic wellness centre.

The guest rooms all enjoy vistas of the golf course and lake from their private terraces. The rooms themselves are lofty and decorated in either colonial or contemporary style.

Apart from the lure of Marbella, you can easily explore inland to Ronda and the White Towns and travelling a little further from the coast you'll reach some of Spain's most stunning cities, Seville, Cordoba and Granada. Or head east along the coast to Nerja, a "little-Marbella", which is a beautifully preserved town, with white sugar-cube houses, wonderful beaches and low-key glamour. Alternatively turn west along the coast for the surfing town of Tarifa and the watersports of the Costa de la Luz.
